AND

Location: Milpitas Unified School District, Room #206
Address: 1331 East Calaveras Blvd., Milpitas, CA 95035
Date: Tuesday, November 24, 2009
Time: 6:00-7:30 p.m.

Dear Neighbor,

The City of San Jose Planning Division would like to invite you to a community meeting about a proposed development in your area (see map). Planning staff will be facilitating the meeting, providing you an opportunity to learn about the proposal and get answers to your questions. We are very interested in your input on this proposal and encourage your attendance at this meeting. The same information will be presented at both community meetings. We will consider all comments during our evaluation of the proposal.

Proposal: Allied Waste Industries, Inc. has requested the City to consider the proposed Planned Development Rezoning and Planned Development Permit a 352 gross acre site, depicted on the attached map. The proposed Planned Development Rezoning and Planned Development Permit is to allow the maximum height of the Newby Island Resource Recovery Park landfill to be raised an additional 95 feet, adding approximately 15.12 million cubic yards to its capacity, and to conform and specify the current and future uses on the landfill and recycling property. Newby Island Resource Recovery Park is located at 128 Dixon Landing Road (westerly terminus of Dixon Landing Road, approximately 3,000 feet west of I-880 and Dixon Landing Road).

Again, your participation at this stage of the planning process will help us analyze the request and consider the community's input. If you have any questions before the meeting or during the process, please contact:

City of San Jose:
Planning Division
Jodie Clark and Sylvia Do
Phone: (408) 535-7818 and 535-7906
